

# Organic Energy Mandala for Abundance & Freedom

*This mandala holds the power vibration of the number 10 for manifesting Abundance & Freedom. The number 10 radiates divine completion, fortune, Intuition and a turn for the better. What you have been waiting for may now be yours. If this mandala resonates with you then activate the intension in your own life by using the number 10. For example E-mail this to 10 friends or print the larger mandala and hand it to 10 strangers with a blessing. Print the 10 smaller ones and place them around your home and in your vehicles, try putting one in your mailbox for those big checks that are on their way. Be creative as you activate this intension for Abundance and Freedom in your life. E-mail me with your amazing manifestation stories [keith@energymandala.com](mailto:keith@energymandala.com) For more information on the power of 10 you can read a book by Mary Alberici, Ph,D called "The Little Book of Organic Abundance."*
