What Are Your Subtle Indicators of Misalignment?

Jack Canfield, Tapping Summit 2011, and Me

The Buzz has begun! The Tapping World Summit is scheduled to begin in a few weeks. This is the first video featuring Jack Canfield. I am

more excited than ever for the Summit because the Ortner's selected my favorite product to feature as a bonus gift. Path2Passion is the online program that I am most proud of and they agreed that the content is worth their audience's awareness. Over 100,000 people attended last year's Summit and they expect between 2-300,000 this year! I'll send you more information on the Summit and how to listen in the next newsletter and I promise not to bombard your inbox as others do during this event.
