

TAPPING INTO HEALTH, WEALTH, AND FREEDOM ALINA FRANK, CERTIFIED EFT & MATRIX ENERGETICS PRACTITIONER

What's Done is Done! Or Is It?

The main premise of retrocausality is that the present can affect the past. We've all been told that time is an illusion but how can we use that scientific fact? What if consciousness had the ability to heal past outcomes simply by applying focused intent in the present time? There have been over 23 studies that have tracked retroactive influence. These have been published in professional scientific literature. One fascinating study .....

Top 5 Ways to Avoid This!

Long before the little fat cherub Cupid was absconded by greeting card companies, he was Eros- the god of passionate love. The story of Eros and Psyche is considered the greatest love story of all time and was the inspiration for Beauty and the Beast, East of the Sun West of the Moon, and countless pieces of art and literature. Within the union of Eros (erotic) and Psyche (the root of psychology) lies the potential for transformation. Join me to explore how EFT facilitates metamorphosis in the area of sacred soul partnership.

Vision Boards Now Easier Than Ever

Are you the only one left on the planet not receiving Mike Dooley's Notes From the Universe? It's the one email I look for each morning to set the tone for my day. These short notes are custom tailored to remind you that you are moving towards your goals. He has just designed a new website that I highly recommend. If you join (no charge) you'll get the notes, along with membership, to his club where you have access to building your own virtual vision board! It's very cool and at no cost it's a great resource for any Law of Attraction student. Mike is also a big fan of EFT!

More EFT Resources

As the news of Gary's departure settles in and the epicenter of EFT is set to dissolve next month, many more websites, books, forums, and programs will crop up. I was invited to become a Love, S-X, and Relationship expert on a new experts site. I'll be answering your questions and adding articles there in the coming months.
