Gary Craig's Tutorials

At this point in time the original Gary Craig tutorials can't be found in English (at least as far as my research has been able to detect). These valuable simple steps to becoming more proficient in your use of EFT have helped many including myself when I first started out. Everything from being specific to how to get better with the work you do on your own is here. I have added them in their entirety until Gary releases his updated version later this year.

Past issues:

Manifestation on Speed

Sharing is caring!

Matrix Reimprinting In Action

Check out Matrix Reimprinting creator Karl Dawson using MR on a bipolar client. This video series is amazing to watch. You'll see how specific traumas have led to this condition.

Relationship Nexus Point Online Webinar continues

4 week series based on the Relationship Nexus Point model began November 1st. There is still time to join before we develop our online course based on the class. If you join now you'll receive all recordings, homework, and link to the last live class for \$99. Any one who feels stuck in their current romantic relationship and is ready to move forward by either ending it or transforming it should attend. \$99
