## Your Gifts

*"If you bring forth what is within you, what you bring forth will save you. If you do not bring forth what is within you, what you do not bring forth will destroy you." St Thomas*

No truer words have been spoken about your innate talents and your responsibility to share those gifts with the world. I can't tell you how many clients I have assisted with serious health conditions or serious

financial challenges that were a direct result of not bringing forth what's inside of them.

If you haven't started to take steps towards discovering what they are, or haven't been bold enough to actually take some action once you do have a sense of what they are then read on for some tapping advice.
