Romantic Relationship Challenges

What are the 3 biggest challenges you face in regards to your current love life?

Business Status

Describe the nature of your business, your list size, the income you generate from your business currently. Which areas do you know want my assistance with i.e. fear of putting yourself out there, niche development, reaching your audience, building referral networks, implementing social media campaigns, strategizing marketing plan, product building, or other?

Personality Profile

What can you say about yourself and your personality-behaviors that you think is useful for me to know? This can be results from a personality typing test such as Myers-Briggs or Enneagram or some personal reflections about have motivates you or stresses you.

Biggest Issue

What is the biggest problem you face in your business and/or romantic life that want to start addressing immediately by working with me?
